

# MY Winter Story

By: Logan Norlinger

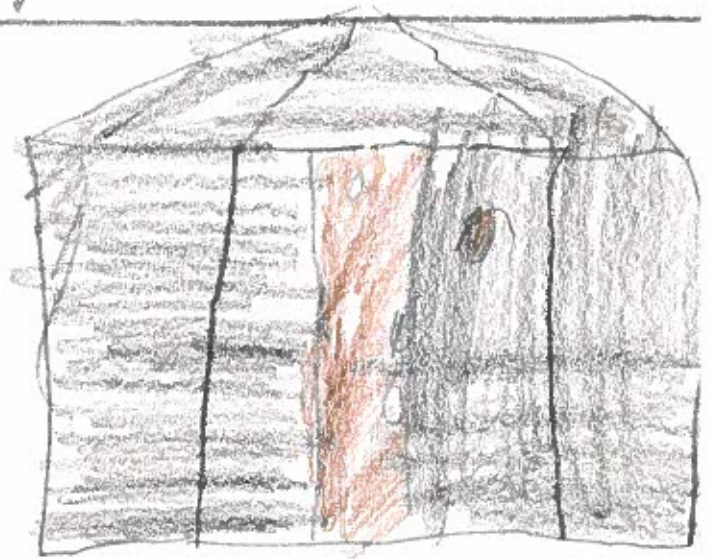

My winter story started as a normal school day but little did I know that was going to change. I woke up to a "Beep, Beep, Beep!" so I sluggishly got out of bed. I walked out to the living room and as soon as I picked up my lunchbox my mom told me, "What are you doing, it's a snow day!" "A snow day?" I replied. Then I dropped my lunchbox got on my coat, my boots, and my hat and ran outside. I grabbed our sleds and sledded for hours on end. I eventually stopped in the snow and relaxed. After a while I went back inside and had a steaming mug of hot chocolate. Then I went to sleep hoping for another snow day.

If I could talk to Santa  
I would ask him "How do  
you get into houses with  
no chimneys? Also, how long do  
you sleep for? How many children  
do you give coal to? How many houses  
are there that you go to on  
Christmas evening?"

I would like to have a dog. Gabby  
want a dog, xmas gum, milk and my own. Santa I have a question  
How do you go in house with no chimneys. And how do you help  
make the toys and how do you get in when a dog is at a  
door are by the tree.

It was the night before  
Christmas, in all of the house  
not a creatur was stirring.  
Not even the dad, who was  
snoring. Untill, their was  
a sound on the roof  
like a thunk, and  
there he was. SANTA,  
He put the preabts under  
the tree and left

Hi Santa! I just would love to tell you how much I love Christmas. I love, everything about it! I love the snow, the sled riding, and sitting down with the fire on, watching a movie, or reading a book. Thank you so much, for giving every kid in the WORLD Christmas presents. Because of you, I have so much fun on Christmas. Thank you!

What did the sheep say to the other sheep?

uh I don't know they don't speak English.

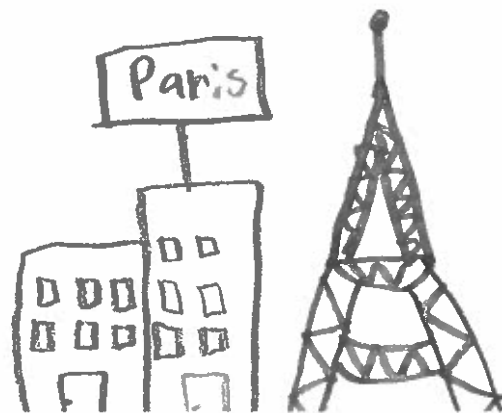

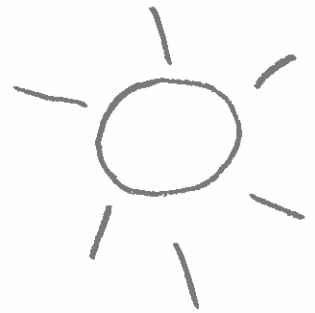

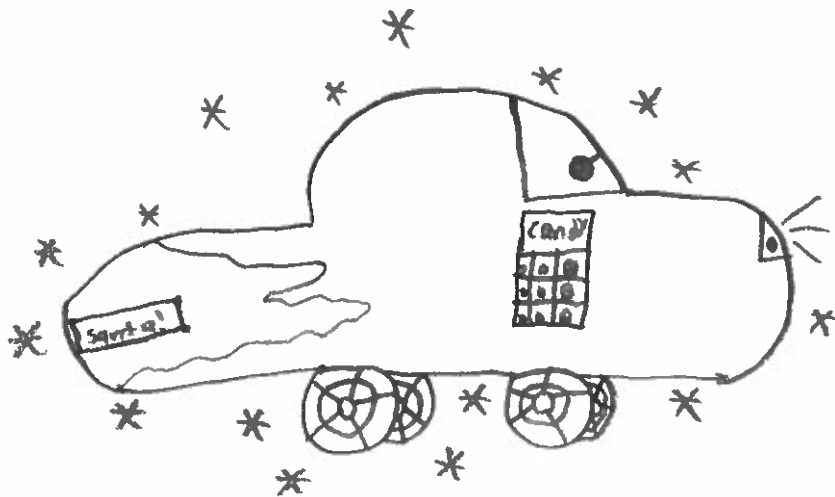

Did you hear about the guy who got hit in the head with a can of soda? He's lucky it was soft.

My hotel room is so small, when I put in the key it broke the window. I'm reading a book about anti-gravity, it's impossible to put down.

Dear Santa, do you have the power to make things fly? I know you have flying reindeer, but did you make them fly? If you did, can you do me a favor and make my dad's car fly? If you would, can you put super speed boosters on his car also? I know your reindeer are really quick. I really want to go to Paris, or maybe Spain! I won't need ANY other presents if you do me this little favor. I'm afraid of heights though, so it not be bumpy? My dad would like the idea too! My dad would get to work really quick. My little sister might not like it, but that's ok. This is optional, but can you make a built in arcade? I would like a candy dispenser too. Can the car be water proof also? I really want to see jellyfish! This maybe too much to ask, but can you do me this tiny favor, please?

I love to do a lot of fun stuff in winter. When it snows outside  
I go and jump on my mamaw's bush. Or I go ice skate or  
my mamaw's creek that's around her house. 2 years ago

If I could talk to Santa + would tell him that I love Christmas and I want a magic pad for Christmas.

Dear Sarah,

I know I have not been on my best behavior, but I hope you have a great  
Day and have fun.

# Christmas Story

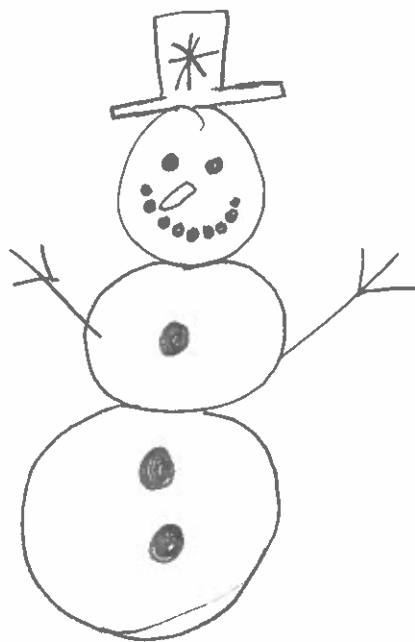

Was the night before Christmas when Santa was out not a sound from kids and not even a mouse. He was riding on his sled in the air when Dasher, Prancer, Gnomed, Quipided, and ruboff. He went to the first house and looked at his list he laughed as he ate the cookies, drank the milk, and give out presents to all the good kids. From the past hour Santa went to 346 houses. He went on and on until it lay a goodnight on the morning hours of staying eating cookies. Santa went around the world and just but not least he laughed and said "Oh Jolly what a goodnight!" When the kids have awoken parents were happy kids giggling who a good time to have family time as Santas looking down at the kids he says "to all the good all to give!" See you next year Santa Clues!

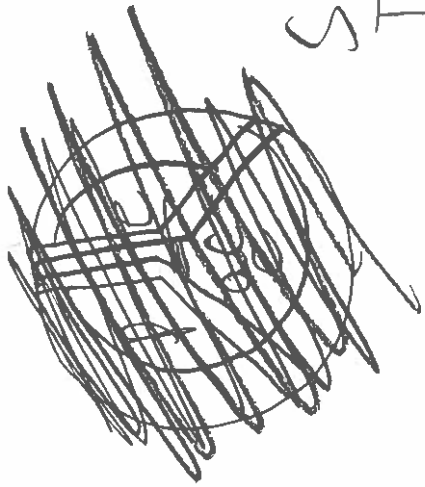

## Merry Christmas!

Dear Santa,

I wanted you to know that you are so nice and generous to bring everyone presents the night of Christmas eve. You always bring happiness and cheer whenever you come to town. You have so many songs about you and your reindeer. One of my favorite songs about you and your reindeer is Rudolph the red nosed Reindeer. I don't want that many present for Christmas I just want my family to be happy. One thing I do want for Christmas is some money, I want to donate it to animal shelters around the world. Thank you Santa I love you merry Christmas
