

Varsity Girls Tennis Recap

By: Kenzie Hoy

The Oak Hills girls tennis season is winding down and boy has it been a great season. The team this year was led by seniors Caroline Eichhorn, Mackenzie Hoy and Rosalie Pictor. The overall record for the season was 12-8, the GMC record was 5-4 and the team finished 9th overall in the city and 5th in the GMC. The girls beat the challenging teams of Mt. Notre Dame, Turpin, Seton, Kings, and Fairfield along with others. The girls also had very close matches with Mariemont, Lakota East, Sycamore "B" and Lakota West. This season the girls also were in Flight C for the Coaches Classic Tournament playing against Lakota West, Sycamore "B", and Seton. They placed in third out of the four teams.

Special shoutout to Mia Ziebro for being only the second singles player to advance to Districts while wearing an Oak Hills uniform in the last 14 years. And for those who don't know, a singles player is someone who plays alone against someone else while doubles is a partnership of two people playing against another partnership of two people. Ziebro, on Thursday October 10, played in Districts and unfortunately lost 6-0, 6-0 in a very tough match against Springboro.

Summing up her season, Senior Caroline Eichhorn said, "We had a great season this year! We finished with a 12-8 record, placed 5th in the GMC, and 9th overall in the city. It was a great season to go out on!"

Senior Mackenzie Hoy had this to say to her coach and teammates: "Ladies (and Coach Miller), it has been such a pleasure to be apart of this amazing team. I truly want to thank all of you for making my last year so special. I wish everyone the best of luck in everything you do!"

Senior Rosalie Pictor said, "So lucky to have spent my senior year with such hardworking girls! Never underestimate the power of 'Are you sure?' Play an opponent by their skills and not their reputation!"

Sophomore Molli Malone said, "We had a great season this year and a wonderful team and I will miss the seniors but will be looking forward to next season with the new teammates."
